**The fee for finding a Corvette for a client is 5% of the purchase price of the car.**

To begin a search for a Corvette, a \$500 retainer fee is required. The retainer fee, in the form of a check, should be made payable to BUYERS AND SELLERS CONNECTION, LLC. This fee covers research and phone contact time. The one time \$500 retainer fee is deducted from the fee paid when a car is purchased. The search may be ended at any time at the client's request. The remainder of retainer fee will be returned to the client; however, the client is responsible for paying the full finder's fee for any vehicle brought to the client's attention by BUYERS AND SELLERS CONNECTION, LLC. and ultimately purchased by the client.
